

Great Tasting, Comprehensive Nutritional Support for Kids

# DHA JUNIOR

available in:  
strawberry 180 count

It's an old Norwegian tradition that all children, after the age of one, take a good amount of cod liver oil every day to keep them healthy. That's because cod liver oil is one of the richest natural sources of the essential fatty acids, EPA (eicosapentaenoic acid) and DHA (docosahexaenoic acid). Research shows that these omega-3 fats are a vital part of children's health. They help to improve learning and focus, provide enhanced immune support, and ensure proper growth and development.

But here in the United States, establishing the cod liver oil tradition hasn't been so easy. What's stood in the way? Palatability. To overcome this obstacle, Nordic Naturals has spent the last decade developing fish oil formulas so fresh, pure, and great tasting that kids consistently ask for more!

Why is DHA Junior so important to the health of your youngest patients?:

- Nourishes the brain, eyes, and nerves
- Encourages proper growth and development, making for strong, smart, and healthy kids
- Enhances immune function\*

## Quality Counts

As with all Nordic Naturals products, DHA Junior is in the natural triglyceride form for optimal absorption. Our patented "nitrogen processing" ensures that DHA Junior is absolutely pure and fresh. Fresh fish oils are better for the body, and do not create negative side effects such as repeat or burp-back.

Pure and fresh fish oil supplements have a high safety profile and few, if any, side effects. Physicians should be advised of individuals taking more than three grams of combined EPA + DHA daily, or if they are taking certain medications.

*Nordic Naturals fish oils surpass all national and international pharmaceutical standards for freshness. Every batch of Nordic Naturals fish oils is 3rd party tested to guarantee exceptional freshness and purity levels, and is free\*\* from heavy metals and environmental toxins.*

\*\* no detected heavy metals at 10 ppb, dioxins/PCBs at 0.5 ppt

\* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

## Supplement Facts

Amount Per Serving	Servings per container: 45	
	% Daily Value*	
Calories	9	
Calories from fat	9	
Total Fat	1.0 g	†
Saturated Fat	0 g	†
Trans Fat	0 g	†
Vitamin A	130-300 I.U.	5-12%
Vitamin D	1-4 I.U.	0.25-1%
Vitamin E (d-alpha tocopherol)	14 I.U.	140%
<b>Omega-3s</b>	<b>Weight ‡</b>	<b>Volume %</b>
EPA (Eicosapentaenoic Acid)	82 mg	9%
DHA (Docosahexaenoic Acid)	125 mg	14%
Other Omega-3s	45 mg	5%
Total Omega-3s	252 mg	28%
Oleic Acid (Omega-9)	120 mg	13%

\* Percent Daily Values for children under four years of age.

† Daily Value not established. ‡ Natural Triglycerides  
Less than 5 mg of Cholesterol per serving.

**Ingredients:** purified arctic cod liver oil, soft gel capsule (gelatin, water, glycerin, strawberry essence), d-alpha tocopherol, strawberry essence, rosemary extract.

No gluten, yeast, milk derivatives, or artificial colors or flavors.  
Contains vitamin E derived from refined soybean oil.

**NORDIC NATURALS**   
Pure and Great Tasting Omega Oils
