

A High-Potency EPA Formula

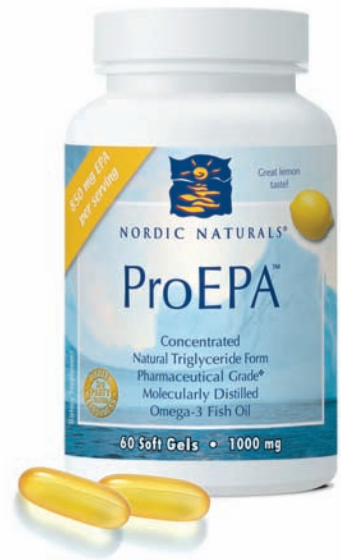

ProEPA

available in:
lemon 60 & 120 count

This formula contains one of the industry's highest concentrations of the omega fatty acid, EPA. EPA is the component of fish oil that calms tissue, helping to maintain a healthy heart and circulatory system, support enhanced gastro-intestinal health, and encourage proper immune function.

And, according to the FDA, "supportive but not conclusive research shows that consumption of omega-3 fatty acids may reduce the risk of coronary heart disease." Nordic Naturals ProEPA is an easy, convenient way for your patients to get their daily dose of omega-3 fats!

ProEPA Supports:

- A healthy heart
- Enhanced GI function and weight management
- Enhanced immunity

Quality Counts

As with all Nordic Naturals products, ProEPA is in the natural triglyceride form for optimal absorption. Our patented "nitrogen processing" ensures that ProEPA is absolutely pure and fresh. Fresh fish oils are better for the body, and do not create negative side effects such as repeat or burp-back.

Pure and fresh fish oil supplements have a high safety profile and few, if any, side effects. Physicians should be advised of individuals taking more than three grams of combined EPA + DHA daily, or if they are taking certain medications.

*Nordic Naturals fish oils surpass all national and international pharmaceutical standards for freshness. Every batch of Nordic Naturals fish oils is 3rd party tested to guarantee exceptional freshness and purity levels, and is free** from heavy metals and environmental toxins.*

** no detected heavy metals at 10 ppb, dioxins/PCBs at 0.5 ppt

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Supplement Facts

Amount Per Serving	Servings per container: 30	
		% Daily Value*
Calories	18	
Calories from fat	18	
Total Fat	2.0 g	3%
Saturated Fat	0.2 g	1%
Trans Fat	0 g	†
Vitamin E (d-alpha tocopherol)	30 I.U.	100%
Omega-3s	Weight ‡	Volume %
EPA (Eicosapentaenoic Acid)	850 mg	45%
DHA (Docosahexaenoic Acid)	200 mg	10%
Other Omega-3s	180 mg	9%
Total Omega-3s	1230 mg	64%
Oleic Acid (Omega-9)	142 mg	8%

* Percent Daily Values are based on a 2,000 calorie diet.

† Daily Value not established. ‡ Natural Triglycerides
Less than 5 mg of Cholesterol per serving.

Ingredients: purified deep sea fish oil (from anchovies and sardines), soft gel capsule (gelatin, water, glycerin, natural lemon oil), natural lemon oil, d-alpha tocopherol, rosemary extract.

No gluten, yeast, milk derivatives, or artificial colors or flavors. Contains vitamin E derived from refined soybean oil.
