

A Powerful, High-Concentration EFA Formula

ProOmega

available in:
lemon 4 ounce

Double the EPA and DHA for “mega-dose” needs, ProOmega liquid is a high-potency formula that, in just one serving, meets the American Heart Association’s recommendation of 2–4 grams/day of EPA and DHA for people with elevated triglycerides¹.

1. Kris-Etherton P, Harris W, Appel L, for the AHA Nutrition Committee. Omega-3 Fatty Acids and Cardiovascular Disease: New Recommendations from the American Heart Association. *Arterioscler Thromb Vasc Biol* 2004;23:151–152.

Why ProOmega?:

- Maintains a healthy heart and circulatory system*
- Enhances joint flexibility and mobility*
- Promotes healthy immune function*
- Supports healthy metabolism and body composition*
- Promotes balanced blood sugar levels*
- Supports the body’s natural anti-inflammatory response*

Quality Counts

As with all Nordic Naturals products, ProOmega liquid is in the natural triglyceride form for optimal absorption. Our patented “nitrogen processing” ensures that ProOmega liquid is absolutely pure and fresh. Fresh fish oils are better for the body, and do not create negative side effects such as repeat or burp-back.

Pure and fresh fish oil supplements have a high safety profile and few, if any, side effects. Physicians should be advised of individuals taking more than three grams of combined EPA + DHA daily, or if they are taking certain medications.

*Nordic Naturals fish oils surpass all national and international pharmaceutical standards for freshness. Every batch of Nordic Naturals fish oils is 3rd party tested to guarantee exceptional freshness and purity levels, and is free** from heavy metals and environmental toxins.*

** no detected heavy metals at 10 ppb, dioxins/PCBs at 0.5 ppt

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Supplement Facts

Amount Per Serving	Servings per container: 24	
		% Daily Value*
Calories	45	
Calories from fat	45	
Total Fat	5.0 g	8%
Saturated Fat	0.2 g	1%
Trans Fat	0 g	†
Vitamin E (d-alpha tocopherol)	15 I.U.	50%
Omega-3s	Weight ‡	Volume %
EPA (Eicosapentaenoic Acid)	1626 mg	35%
DHA (Docosahexaenoic Acid)	1126 mg	25%
Other Omega-3s	450 mg	10%
Total Omega-3s	3202 mg	70%
Oleic Acid (Omega-9)	140 mg	3%

* Percent Daily Values are based on a 2,000 calorie diet.

† Daily Value not established. ‡ Natural Triglycerides
Less than 5 mg of Cholesterol per serving.

Ingredients: purified deep sea fish oil (from anchovies and sardines), natural lemon flavor, d-alpha tocopherol, rosemary extract.

No gluten, yeast, milk derivatives, or artificial colors or flavors.
Contains vitamin E derived from refined soybean oil.
